ENDORSEMENTS

"I've had the pleasure of working with Client Name. She is an outstanding person that any organization would be fortunate to have as an employee. She has a heart for the customer and delivers exemplary customer service. Just ask her customers. She goes above and beyond her job description of Customer Success Manager. If I were starting a new company, I would build my customer support/client success team around Suzanne."

John Doe, ABC Company Executive

"You have always looked out for us, kept us informed, and gave us advice truthfully whether popular or not. I feel you have always had our back, are trustworthy, honest, proactive, and mindful. ABC is a better company for having you as an employee."

Jane Doe, IT Director, QRS Enterprises

PROFESSIONAL EXPERIENCE

2006 - Present ABC Company, Anytown, GA

Client Success / Account Manager

- Advanced upgrades and optimizations addressing physician burden and quality measures to improve performance and increase clinician usability.
- Accountable for the success of post-sales customer relationship and experience with Allscripts, building trust, guiding development of the strategic roadmap and driving value realization.
- Proactively monitor client account activity and compile a support dashboard including an analysis of trends. Maintain regular meetings with key client contacts and IT leadership to review dashboards and make recommendations that ensured customer success through improved performance and efficiencies.

Customer Advocate / Project Manager

- Build and maintain customer relationships, understanding their needs, concerns, and priorities, then being their advocate within the organization to ensure the proper outcomes.
- Assist customer in transition from implementation of products to support of products, provide proactive communication and act as point of escalation.

Program Manager / Executive Assistant

- Interpreted monthly data and identified improvement opportunities for certification, compliance to requirements and deployment to customers. Coordinated sessions with business units to identify improvement plans and evaluate progress.
- Managed the AA and BB inbox, triaging customer and internal requests, working with multiple business units to prepare proper response and obtain problem resolution in a timely manner.

2004 - 2006

Owner/Project Manager, XYZ Inc., Anytown, GA

- Founded an independent business providing quality products and services for home remodeling and interior decorating. Retained repeat business by continually delivering quality products and services.
- Created project schedules, defined scope, gathered requirements and determined project budget with client's approval. Coordinated with subcontractors to meet deadlines and exceed client expectations.

1993 - 2004

Advanced Business Analyst/Project Manager/Leader, ZZZ Data, Inc., Anytown, GA

- Directed multiple system implementations simultaneously, including conducting end-user training and providing account support. During implementations, identified problems, diagnosed causes and determined corrective actions in a timely fashion to prevent schedule slippage or increased costs.
 - Utilized critical persuasion, scheduling, and staff motivation to maximize limited personnel resources consisting of employees and contractors from multiple satellite locations.
-
